(Summary of Hadhrat Moulana Ilyas Patel Sahebs Jumuah Bayaan- Friday 10th January)

Rasulullah (sallallahu 'alaihi wasallam) is reported to have said that a Believer cannot possess complete Imaan until he loves Rasulullah (sallallahu 'alaihi wasallam) more than his ownself, his family and all the people put together.

There are two types of love – Intellectual love and natural love.

Among the ways of acquiring natural love of Rasulullah (sallallahu 'alaihi wasallam) is through pondering over his beauty (Jamaal), his perfection (Kamaal) and through contemplating over the favours (Ihsaan) that Rasulullah (sallallahu 'alaihi wasallam) showered upon the Ummah.

It is also vitally important to keep pious company, to learn and practice on the sunnah and to study the seerah as a means of increasing the love for Rasulullah (sallallahu 'alaihi wasallam).
